University of Idaho  
Extension

The University of Idaho Beginning Rancher Development Program is designed to provide **beginning ranchers** with useful knowledge and resources to increase success in their operation. This two and half day in-person workshop will provide information on: animal health, handling, & evaluation; natural resource & financial management; beef slaughter & fabrication.

- **Topics to be covered in Beef 201:**
  - Live cattle evaluation
    - Bull, Heifer, Steer
  - EPD's and Genetic Selection
  - Breeding Management
  - Pasture Management
  - Soil/Feed Sampling
  - Building a Beef Business Plan
  - Animal Health
    - Vaccination Protocols
    - Recognition of Animal Illness
    - Calving Management
  - Beef Leadership and Advocacy
  - Beef Retail
  - Beef Fabrication

\*Contents may be subject to change

- **Cost:** \$20/person equipment fee
- **30 spots available**
- This workshop is open to everyone, including those that have participated in our prior Beef 101 workshop

**Funds are available for participants needing support for travel/lodging.
