I am the only psychologist in the Moscow – Lewiston area with a specialty in pain management.

TEACHING ACCOMPLISHMENTS:

Areas of Specialization:

Early in my career: Sensation and Perception; for most of my years at the University of Idaho: Clinical and Abnormal Psychology; in recent years at the University of Idaho: The History of Psychology.

Courses Taught:

In early years (when the department had a Masters' program in Clinical Psychology): Psyc 311, Abnormal Psychology; Psyc 528, Psychopathology; Psychological Assessment; and Psych 444, Sensation and Perception.

In later years (after the dissolution of the Masters' program in clinical psychology), Psych 311, Abnormal psychology; Psych 456, Psychology of Emotion; and Psych 415, The History of Psychology

During the past 5 years, for each academic year, Psyc 311, Abnormal Psychology; Psyc 456, The Psychology of Emotion; and Psyc 415, The History of Psychology. (In recent years the History of Psychology was reorganized to be our Senior Experience Course.)

Students Advised:

Undergraduate Students: (approximately 45 per year)

Graduate Students: Served on graduate committee: (Brian Pugliese, Ph.D., 2019)

Courses Developed:

Psych 347, Survey of Helping Professions
 Psych 456, The Psychology of Emotion
 Psych 415, The History of Psychology

SCHOLARSHIP ACCOMPLISHMENTS:**Books:**

Yama, M. F. (2020). *The Spirit Transcendent: Exploring the Extraordinary in Human Experience*. Toplight Press (an imprint of McFarland), due for release approximately in March, 2020.

Peer-Reviewed Papers:

Grants and Contracts Awarded: (provide principal and co investigators, title, sponsor, funding dates, amount)

Seed Grant, University of Idaho, Noise Enhancement of Detection, 1993, \$5000.

SERVICE:

Major Committee Assignments:

For many years (10 years or more) I have served as the Chairperson of the departmental Tenure and Promotion Committee

In 2017 I chaired the Search Committee for the Department (for two new hires).

Professional and Scholarly Organizations

The American Psychological Association
The American Physical Society

Outreach Service:

Outside of fee-based services I offer consultation to medical professionals on an ongoing basis.

PROFESSIONAL DEVELOPMENT:

In order to maintain my license as a Psychologist, I need to engage in at least 20 hours of continuing education per year, and have done so since 1986.
