

COURSE REGISTRATION

The Master Gardener program is a volunteer-based program. Participants in the course are expected to complete in-class time (40 hours) and practicum experience outside of class (40 hours) totaling a minimum of 80 hours to receive certification. With space limited in class, preference will be given to those committed to completing the hours for certification. Additional fees are required for those individuals or professionals who wish to audit the course (**no certification or out-of-class program requirements*) or obtain CEU or University credit.
